

Uzbek International Travel Fair

Welcome to **“World of Leisure”**

Dear Colleagues!

Traditional spring Uzbek International Tourism Fair “The world of leisure” is expanding. UITF-2016 being held for the 4th time is considered to be the most effective tourism event before the beginning of the spring-summer period for the companies specialized on inbound tourism in Uzbekistan, as well as companies offering high quality summer holidays abroad.

Spring fair UITF offers ground not only to learn new dynamically developing tourism spheres and receive offers for the summer period but gives an opportunity to offer your own product and to find new clients and partners. Year by year, taking opportunity of participating at UITF companies work out a plan for working in the tourism market shortly before the holiday's season.

Characteristics of the event supposes the participation of foreign and local tourism companies, national and regional administrations, associations and representative offices, hotels, resorts, internet-booking systems, as well as transportation companies and airways companies.

UITF-2016 emphasizes on forming of various business programs. Participants of the fair can organize theme presentations, conferences, lotteries at the stands and others. The organizers of the fair will assist in attraction of the audience including tour operators and the Media of Uzbekistan.

The profile of the participants and sections of the fair:
